Living In LOVE

Special lecture series by guest speaker Randy Skeete

@ Westminster Seventh-day Adventist Church 7925 10th Ave, Burnaby, BC

When God said "Let us make man in our image" that standard for human life was to last forever. The entrance of sin did lower the standard of righteousness that God Himself set for humanity. This series, entitled LIVING IN LOVE, is designed to restore the great standard of love and righteousness to its rightful position in the lives of His people.
